# Selecting Your Dentist

You may choose any of the conveniently located dental offices listed in this directory. All dental care is received from the dentist you select, except in the case of an out-of-area emergency, or if you are referred to a specialist (if your plan has specialty coverage).

You can change dentists simply by contacting your Dental Member Service Specialist at 877-890-7023 or online through [www.dentalhealthservices.com](http://www.dentalhealthservices.com).

## Language Choices

In addition to English, many of our dental offices have doctors and office staff who speak other languages. The languages spoken at a particular office are noted at the end of each listing within this directory.
